World Environment Day Celebration

Date :- 5th June ,2023
Venue :- Rai University

Rai University celebrate World Environment Day in collaboration with the Institution's Innovation Council (IIC) and the Student Startup and Innovation Policy (SSIP) under the G-20 Presidential Year. Rai University Commemorates World Environment Day with a Pledge to Safeguard the Environment. Rai University takes great pride in joining the global community in commemorating World Environment Day on 5th of June. As part of our unwavering commitment to environmental stewardship, we have meticulously organized a series of activities and events designed to foster heightened awareness and promote sustainable practices. Embracing our collective responsibility, our students, faculty, and staff have made a solemn pledge to safeguard the environment by adopting ecologically conscious habits, reducing waste generation, conserving energy resources, and championing biodiversity preservation

Through concerted efforts such as tree-planting drives, waste management campaigns, and enlightening workshops, we endeavor to empower our community, inspiring them to become conscientious environmental custodians. By synergistically channeling our knowledge, dedication, and resources, we aim to create a transformative impact, cultivating a greener and healthier future for the generations to follow. We firmly believe that the preservation of our environment is not merely a moral obligation but an imperative for the sustenance of life on our planet. Let us unite in this noble cause and usher in an era of sustainability and resilience.

World Population Day

Date :- 11th July , 2023

Venue :- Rai University

Rai University recently organized an expert session on Importance of Population Issues for Better Future on a Healthy Planet" in honor of World Population Day, aiming to raise awareness about the challenges posed by population explosion. This event is organized with the association with SSIP, IIC, Swatchh Bharat Abahiyan, ISTE and under the presidential year of G-20. The event featured a keynote address by Dr. Dhanya J.S., an esteemed Assistant Professor from the renowned Rai School of Sciences at Rai University. With her vast expertise in the field, Dr. Dhanya addressed the audience, shedding light on the critical issues associated with the rapidly growing global population.

During her insightful speech, Dr. Dhanya emphasized the urgent need to tackle the population explosion and its far-reaching consequences. She elucidated the strain it puts on essential resources, including food, water, and energy, and the detrimental impact on the environment. Furthermore, she highlighted the socioeconomic implications of an overcrowded world, such as unemployment, poverty, and inequality.

Engaging the audience in a thought-provoking manner, Dr. Dhanya encouraged open dialogue and interaction. Attendees actively participated in the session, posing pertinent questions and sharing their concerns. Dr. Dhanya patiently addressed each query, providing valuable insights and suggesting practical solutions.

The expert session on World Population Day organized by Rai University successfully fulfilled its objective of creating awareness about population explosion. Through Dr. Dhanya's enlightening address and the engaging interaction with the audience, the event served as a platform to inspire individuals to become agents of change in managing and addressing this pressing global issue.

RU Talk featuring Ms. Karen Duys

Date :- 31st July,2023

Venue :- Rai University

RU Talk featuring Ms. Karen Duys as the Main Speaker on 31st July 2023 Rai University successfully organized a prestigious event, RU Talk, in association with Evolve Club, IIC, SSIp, and in conjunction with the Presidential Year of G20 on 31st July 2023. The event featured Ms. Karen Duys, an esteemed personality, as the main speaker. Ms. Duys is renowned for her diverse roles as the Founder and President of Eur India Foundation, Founder of Planet Hope Foundation, and as a Member of G-100 Global Chair and Advisory Board Member of Civil Society Organization in the Netherlands.

The event commenced with a warm welcome to Ms. Karen Duys, where she was greeted with a garland As a sign of respect and to seek blessings, she also visited the temple of Rai University.The event officially began with the traditional lamp lighting ceremony, symbolizing the illumination of knowledge and wisdom. Prof. Dr. Anil Tomar, Provost of the university, cordially welcomed Ms. Duys with a potted plant, signifying growth and prosperity. Ms. Duys was then invited to interact with the students, a moment that was eagerly anticipated by the attendees.

During her speech, Ms. Karen Duys shared her life experiences, offering valuable insights into her journey as a successful entrepreneur and humanitarian. The interaction with the students was engaging and fruitful, as they actively participated in the discussions and showed great interest in Ms. Duys' expertise.

In recognition of her valuable presence, the Join Registrar presented dr. Viveka Anand Sharma Ms. Duys with a memento, expressing gratitude for her visit to the campus. Dr. Sailesh Iyer, Dear Rai School Of Engineering, delivered the vote of thanks, acknowledging Ms. Karen Duys for taking time out from her busy schedule to share her knowledge and experiences with the students.

Following the RU Talk, the ambiance shifted to a more relaxed and joyful atmosphere, where Ms. Karen Duys joined the cultural dance. She even learned a few Garba steps with the enthusiastic students and faculty members, adding a delightful touch of cultural exchange to the event.

Overall, the RU Talk featuring Ms. Karen Duys as the main speaker was a resounding success. The event provided an exceptional opportunity for students to learn from an accomplished personality and gain valuable insights into entrepreneurship and social work. It also fostered cultural exchange and strengthened the bond between Rai University and its guest speaker.

Venue :- Rai University

Aarambh-2023 on 2nd Aug 2023

Rai University celebrated a grand Orientation Day named "Aarambh," symbolizing the beginning of an exciting journey for the first-year students in the fields of Pharmacy, Engineering, Management, Law, and Science. The event was a warm and vibrant occasion, held to extend a heartfelt welcome to the new batch and acquaint them with the upcoming academic year.As the fresh faces stepped onto the campus, they were greeted with flowers, creating an atmosphere of camaraderie and enthusiasm. The faculty and senior students took the stage to introduce the university's values, mission, and various academic opportunities available to them. The newcomers were provided with essential information and guidelines to help them navigate their academic pursuits successfully.

To infuse some joy into the day, an entertaining Bollywood quiz and engaging fun games were organized, sparking excitement and laughter among the students. The event aimed to foster a sense of community and friendship among the students, creating an environment that would nurture their overall growth and development.

"Aarambh" also provided a platform for talented students to showcase their skills and passions. Many students displayed their artistic flair and creativity through mesmerizing performances, leaving the audience enthralled and inspired.The Orientation Day at Rai University was a resounding success, setting the stage for an enriching academic year ahead. The event not only helped the students familiarize themselves with the university and its offerings but also gave them an opportunity to bond with their peers and faculty members. With a promising start to their educational journey, the first-year students were well-prepared to embark on their path to success in their respective fields.

RU Talk featuring Ms. Marguerite Soeteman Reijnen

Date :- 3rd Aug , 2023

Venue :- Rai University

RU Talk featuring Ms. Marguerite Soeteman Reijnen as the Main Speaker on 3rd Aug 2023 Rai University accomplished a momentous feat by successfully organizing the esteemed event, RU Talk, in conjunction with Evolve Club, IIC, SSIP, and in collaboration with the Presidential Year of G20 on the 3rd of August 2023. The event featured the distinguished presence of Ms. Marguerite Soeteman Reijnen, a highly regarded personality, who graced the occasion as the main speaker. Ms. Marguerite Soeteman Reijnen boasts an illustrious background, having previously served as the Chairman of the Executive Board of Aon Holdings, a distinguished Member of G-100 Global Chair, and a prominent Member of the Global Alumni Board of Harvard Business School.

The event commenced with a gracious welcome extended to Ms. Marguerite Soeteman Reijnen, who was greeted with a garland as a symbol of utmost respect and to seek her blessings. Furthermore, as a gesture of reverence, she visited the temple of Rai University.

The proceedings of the event officially began with a traditional lamp lighting ceremony, symbolizing the illumination of knowledge and wisdom. Prof. Dr. Anil Tomar, the esteemed Provost of the university, cordially welcomed Ms. Marguerite Soeteman Reijnen with a potted plant, symbolizing growth and prosperity. The attendees were eagerly anticipating the moment when Ms. Marguerite Soeteman Reijnen was invited to engage with the students.

In her enlightening speech, Ms. Marguerite Soeteman Reijnen shared profound life experiences, offering invaluable insights into her journey as an accomplished entrepreneur and humanitarian. The interaction with the students proved to be highly engaging and fruitful, as they actively participated in the discussions and demonstrated profound interest in speaker's expertise.

To honor her valuable presence, the Joint Registrar presented Dr. Viveka Anand Sharma, Ms. Marguerite Soeteman Reijnen, with a memento, expressing heartfelt gratitude for gracing the campus with her visit. Dr. Sailesh Iyer, esteemed faculty of Rai School of Engineering, delivered the vote of thanks, acknowledging Ms. Marguerite Soeteman Reijnen for graciously sparing time from her demanding schedule to impart knowledge and share her experiences with the students.

Following the impactful RU Talk, the ambiance transitioned into a more relaxed and joyful atmosphere, where Ms. Marguerite Soeteman Reijnen joined the cultural dance. In a delightful display of cultural exchange, she even learned a few Garba steps with the enthusiastic students and faculty members.

Overall, the RU Talk featuring Ms. Marguerite Soeteman Reijnen as the distinguished speaker was an unequivocal triumph. The event provided an exceptional platform for students to learn from a distinguished personality and glean valuable insights into entrepreneurship and social work. Moreover, it fostered cultural exchange and solidified the bond between Rai University and its esteemed guest speaker.

Business Plan Presentation & Quiz on World Population Day

Date :- 21st Aug ,2023

Venue :- Rai University

Rai University On August 21, 2023, Rai School of Management Studies at Rai University orchestrated a remarkable Entrepreneur Business Plan and Quiz event. This collaborative endeavor brought together esteemed associations including IIS, SSIP, Evolve, ISTE and under the G20 Presidential Year. The focal point of the event was the Business Plan Presentation competition, which showcased the ingenuity and strategic acumen of budding entrepreneurs. As participants unveiled meticulously crafted business plans, seasoned observers provided insightful feedback, refining these innovative concepts. The event's primary objective was to augment participants' comprehension of business planning while nurturing their potential as future entrepreneurs.

The competition featured 8 teams presenting diverse business ideas spanning food outlets, sports, rental vehicles, hair care, pharmaceuticals, security services, LGBTQ welfare, and more. Among them, the "Rainbow App" team comprising Ms. Aditi Shukla and Ms. Khushi Khoja, First Year BBA students, stood out. Their distinctive proposal centered on empowering the LGBTQ community through meaningful employment opportunities. Their presentation resonated with the judges, securing them a well-deserved victory. The team's profound grasp of community needs and preferences laid a strong foundation for their promising business startup concept.

Simultaneously, the Business Quiz engaged college students with a variety of thought-provoking questions, eliciting fervent participation. This segment not only elevated business knowledge but also complemented academic learning. A total of 25 students across different departments of Rai University participated, and Mr. Parmeet Kapoor, a B Tech student from Rai School of Engineering, clinched the top position. His expertise in commerce and industry shone brightly.

In commemoration of World Entrepreneurship Day, students from various departments partook in business plan presentations and the business quiz. These presentations underscored their entrepreneurial flair and a profit-oriented approach mindful of social responsibility. The quiz ignited a passion for business matters and nurtured their entrepreneurial zeal. It provided a competitive platform for aspiring businesspersons to assess their comprehension of commerce and industry within their respective domains.

Collectively, these competitions delivered invaluable insights into skill development, attitude shaping, and behavioral refinement through education, mentorship, and hands-on experience. By enhancing the prospects of these young aspirants, the event paved a promising path toward entrepreneurial success.

Opportunities for Students, Faculties, and Early Stage Entrepreneurs

Date :- 21st Aug , 2023

Venue :-Rai University

Rai School of Management Studies at Rai University organized an insightful Expert Session on 'Opportunities for Students, Faculties, and Early Stage Entrepreneurs' on August 21, 2023, at 10:00 am. This event was held in collaboration with prestigious associations such as IIS, SSIP, Evolve, ISTE, and under the umbrella of the G20 Presidential Year. The focal point of the event was the distinguished speaker, Mr. Mihir Shah, a luminary with 16 years of profound experience in the AgriTech sector.

Mr. Mihir Shah has traversed various pivotal roles within the AgriTech domain including Seeds, Contract Farming, Procurement, Operations & Processing, Demand Forecasting, GTM, Channel Business, and B2B & E-Commerce, along with notable contributions to renowned entities including Nuziveedu Seeds, Axis Seed & Crop Technology, Akshay Seed Tech, and AgroStar. His passions span diverse agricultural innovations and technologies, from Drones, Soil Health, and Fertilizer Efficiency to IPM, IoT, EV, Renewable Energy, and Contract Farming. In 2021, he established AgriOwn, an endeavor aimed at fostering sustainable agriculture and enhancing farmers' incomes, resulting in the successful establishment of 32 FTCs across four districts of Gujarat, generating revenue exceeding 1.2 CR.

During the session, Mr. Mihir Shah candidly shared his profound insights and experiences in both Agriculture and Business Development. He navigated participants through the intricacies of entrepreneurial journeys, offering valuable advice and strategies. His discourse on Customer Development and Marketing Strategy furnished attendees with a roadmap to expedite their business endeavors.

The event further enriched by engaging activities and an interactive Q&A session. These elements not only added vibrancy to the session but also provided budding innovators with a platform to voice their queries on innovation and its protection.

The Expert Session served as an invaluable forum for aspiring entrepreneurs, students, and faculty members to glean from Mr. Mihir Shah's wealth of knowledge and expertise. The collaborative effort of Rai School of Management Studies, Rai University, and its esteemed associations contributed to an enlightening and empowering event that will undoubtedly catalyze the growth of early-stage entrepreneurs. The session encapsulated the essence of innovation, business acumen, and sustainable agricultural practices, setting a strong precedent for the future.

Angel Investment & VC Funding Opportunity for Early Stage Entrepreneurs

Date :-25th Aug ,2023
Venue :-Rai University

Report on Webinar of Angel Investment & VC Funding Opportunity for Early Stage Entrepreneurs on 25th August 2023.The report outlines a webinar held on August 25, 2023, titled "Angel Investment & VC Funding Opportunity for Early Stage Entrepreneurs," hosted by Rai University in collaboration with the SSIP, IIC,Evolve and RSMS. The event featured Ms. Gauri Geet, a seasoned professional from the Bombay Stock Exchange, who aimed to educate BBA and MBA students about startup financing.

The primary objectives of the webinar were threefold: to educate students about various funding options, particularly angel investment and venture capital, to create awareness about strategic financial planning, and to facilitate direct interaction between students and the expert speaker.

Participants, comprising over 40 students and 18 faculty members, benefited significantly from the event. Ms. Geet's industry expertise provided valuable insights into angel investment and VC funding, clarifying attendees' doubts and queries. The webinar bridged the gap between theoretical knowledge and real-world practices in startup financing, enriching participants' understanding.

The interactive nature of the event fostered networking opportunities among students, faculty, and the expert speaker. The highlight of the webinar was the engaging Q&A session, where participants posed thought-provoking questions related to fundraising strategies, equity distribution, and investor expectations.

In conclusion, the collaborative effort between SSIP, IIC, and Rai School of Management Studies showcased the university's commitment to empowering students with knowledge and confidence in navigating the complex landscape of startup financing. The event successfully achieved its objectives of education, awareness creation, and interaction, leaving participants better equipped to turn their innovative ideas into successful ventures.

Cloud Computing

Date:- 4th Sept ,2023
Venue :- Rai University

This workshop aims to help students understand the fundamentals of Cloud Computing through real-world examples and first-hand experiences. It provides insight into the skillsets required and the job opportunities available in the field of cloud computing.

Mr. Dhwanil Shah, AVP of Technology and Solutions at Synoverge Technologies, has over 20 years of experience in the IT industry. He specializes in open-source and cloud solutions, with extensive experience working with clients in various domains such as IoT, industrial automation, retail, fintech startups, and education. Having worked in the USA for over 8 years and with clients from Belgium, Australia, India, and other countries, he brings a wealth of expertise in product engineering—from ideating and evolving product architecture to developing solutions and bringing them to market in a short period.

Participants in this workshop will gain a solid understanding of Cloud Computing fundamentals, learn about the necessary skillsets, and explore the various job roles available in the field. The workshop covers topics such as types of cloud computing, advantages and disadvantages, and career opportunities.

Organized by Rai School of Engineering, IIC (Institution of Innovation Council), CRC, and SSIP (Student Start-up and Innovation Policy) at Rai University, the workshop featured Mr. Dhwanil Shah as the distinguished speaker. He shared his valuable insights and experiences in Cloud Computing. Experts also offered guidance to aspiring students, helping them enhance their skills and prepare for success in cloud computing careers. The workshop was interactive, with the speaker addressing all the participants' doubts and questions about cloud computer.

Hindi Divas Celebration

Date :- 15th Sept,2023
Venue :- Rai University

Evolve club of Rai University celebrated Hindi Diwas in association with IIC,SSIP,RSMS on September 14, 2023 under G20 Presiedential year. Hindi Diwas with an offline event titled "Hindi Samvad," attracting the participation of 70 students and 10 faculty members. The event aimed to raise awareness about Hindi as one of India's official languages and encourage students to engage in various Hindi language-related activities, including poem recitations and essays.

The event fostered a deep appreciation for the Hindi language, motivating and positively influencing the youth. Hindi Diwas, initially celebrated in 1953, marked a significant milestone in promoting the language. This year's celebration at Rai University featured two student-friendly competitions under the "Hindi Samvad" theme: Hindi Poem Recitation and Hindi Elocution Competition.

Around 40 students participated in these events, with on-the-spot registrations further encouraging participation. The students showcased their creativity and knowledge in the Poem Recitation, while the Elocution Competition allowed them to articulate their thoughts on specific themes.

The event's highlights included active participation from students across different branches, fostering a sense of enthusiasm and unity. It provided a platform for students to express themselves in Hindi, emphasizing its importance. Notably, the competition welcomed fresh and creative perspectives, offering participants a chance to win prizes and recognition.

The winners of the Poem Recitation were Mahek Jaiswal (1st prize) and Sayli Saw (Runner-up). In the Elocution Competition, Priya Rajput claimed the 1st Prize, with Abhishek Singh as the Runner-up.In summary, the "Hindi Samvad" event at Rai University on Hindi Diwas successfully promoted Hindi language and culture, inspiring students to embrace and celebrate their linguistic heritage while showcasing their talents and creativity.

International Microorganisms Day

Date :- 18th Sept,2023

Venue :- Rai University

International Microorganisms Day was celebrated on September 18th, 2023, with the aim of raising awareness about the importance of microorganisms and microbiology research among the general public and enthusiasts. The event sought to provide a platform for microbe lovers worldwide to share their passion and knowledge while encouraging everyone to recognize and celebrate the many ways microscopic organisms impact human health, culture, and daily life.

The International Microorganisms Day celebration at Rai University was a resounding success, bringing together students, faculty, and enthusiasts from various disciplines to explore the fascinating world of microorganisms. The event began with a warm welcome speech by Zeel Gojiya, an M.Sc. Microbiology student at Rai University. A total of 35 students participated in various activities designed to test knowledge, foster creativity, and inspire enthusiasm among the younger generation.

The first activity, the Petri Art Competition, showcased students' isolation techniques and creativity as they drew beautiful designs on plates related to the event's theme. The second activity, Micro Antakshari, encouraged participants to share their knowledge of microbiology through terms and words in a fun and interactive manner. The third activity, Artwork of Microorganisms, allowed students to display their talent and understanding by creating beautiful drawings of microorganisms on paper.

Overall, the International Microorganisms Day celebration at Rai University was a memorable event that succeeded in its mission to educate, inspire, and celebrate the world of microorganisms. It not only deepened participants' understanding of these microscopic creatures but also highlighted their vital roles in science, medicine, and the environment.

Fixing Ozone Layer and Reducing Climate Change

Date :- 22nd Sept,2023
Venue :- Rai University

Rai University, Ahmedabad, organized an impactful Awareness Session titled "Fixing Ozone Layer and Reducing Climate Change" on September 22, 2023, under the collaborative efforts of Rai School of Sciences, Student Start-up and Innovation Policy (SSIP), and Innovation and Incubation Centre (IIC). The lecture, conducted offline by Ms. Jolly Patel, Assistant Professor at Rai School of Sciences, aimed to inform and inspire students and faculty members about the critical issues of ozone layer depletion and climate change. The session, held as part of the "Swachh Bharat Mission", witnessed active participation, with 52 students and 20 faculty members in attendance.

Ms. Jolly Patel's comprehensive presentation included statistics on the depleting ozone layer, emphasizing the need for pollution reduction and ozone layer protection. The collaborative effort under the "Swachh Bharat Mission" highlighted the university's commitment to addressing environmental concerns. Attendees gained valuable insights and knowledge through an engaging question-and-answer session, contributing to the overall success of the awareness initiative. The session not only fulfilled its objectives by providing crucial information but also left participants motivated to contribute to the protection of the environment. The speaker, Ms. Jolly Patel (RSS), presented compelling statistics illustrating the alarming depreciation of the ozone layer. Participants gained insights into the importance of protecting the ozone layer and preventing pollution for the survival of human life. Ms. Patel's lecture not only highlighted the gravity of the situation but also motivated attendees to adopt practices that contribute to a healthier planet.

The expected learning outcomes of the session were achieved through Ms. Jolly Patel's comprehensive presentation. Attendees gained a deep understanding of the statistics related to ozone layer depletion, learned about the protective measures required, and explored practical solutions to reduce pollution and safeguard the ozone layer. The target audience, including students from various schools within the university, found the event to be not only informative but also inspirational, prompting a commitment to responsible environmental practices. The success of the Awareness Session demonstrated Rai University's dedication to connecting academic knowledge with real-world challenges, fostering a sense of environmental responsibility among its students and faculty.

World Pharmacist Day Celebration

Date :- 25th Sept,2023
Venue :- Rai University

On September 25, 2023, the School of Pharmacy at Rai University celebrated World Pharmacist Day with a resounding commitment to healthcare and pharmaceutical education. This memorable day brought together the local community, students, faculty, and esteemed guests, making it a remarkable event.

Health heck-up Program:

The day began with the School of Pharmacy organizing a free health check-up program, which served as a cornerstone of our celebration. This program, conducted with meticulous care and attention, aimed to provide vital healthcare services to the community. A total of 145 individuals participated in the health check-up program, benefitting from services that included blood pressure checks, blood sugar tests, BMI assessments, and personalized counselling on medication management and healthy living.

Our dedicated pharmacy students, under the guidance of experienced faculty members, left no stone unturned in ensuring the smooth operation of the health check-up program. This initiative underscored the integral role of pharmacists in healthcare, emphasizing their accessibility and expertise in promoting community well-being.

Student-Led Program:

In the afternoon, our students took the stage in the Seminar Hall, offering a vibrant and educational program to commemorate World Pharmacist Day. The program was a blend of diverse talents and knowledge-sharing, including dance performances, a quiz competition, thought-provoking poetry recitations, and informative presentations. This variety of activities highlighted the multifaceted nature of the pharmaceutical field and the creativity of our students.

The event would not have been complete without the presence of our distinguished guests. We were honoured to have our Principal, Dr. Sanjesh Rathi, as the chief guest, and the support of our dedicated faculty members. Their presence added to the significance of the occasion and inspired both students and attendees.

The Keynote Address:

Dr. Sanjesh Rathi, our esteemed Principal, delivered an insightful keynote address, underscoring the pivotal role of pharmacists in healthcare. His words resonated deeply with the audience as he emphasized the pharmacist's responsibility in patient care, medication management, and health advocacy. He also stressed the importance of continuous learning and innovation in the pharmaceutical field.

Unity and Knowledge Exchange:

The seminar concluded with a vibrant and interactive Q&A session, which provided a platform for students, faculty, and attendees to engage in discussions, share insights, and foster unity. The exchange of ideas and experiences highlighted the strength of our academic community and the collective determination to excel in the field of pharmacy.

My Story: Motivational Session by Successful Innovator

Date :- 13th Oct , 2023
Venue :- Rai University

The event titled "My Story" featured a motivational session by the accomplished innovator Ms. Swati Panchal. Held on October 13, 2023, from 11:00 am onwards at the A1 Seminar Hall, the session was organized by IIC, SSIP, and Rai School of Management Studies at Rai University in Ahmedabad. Swati Panchal, who is a Chartered Accountant, a Mentor for Startups, and also is a Partner at Panchal S K & Associates, shared her inspiring journey, offering valuable insights and motivation to the attendees. The event highlighted the collaborative efforts of various organizing entities to bring this enriching experience to the university community. Motivational sessions like these are incredibly valuable for aspiring individuals, providing them with insights and inspiration to achieve their goals and aspirations. The event was hosted with the purpose of inspiring and motivating students to reach greater heights in their respective careers.

The event commenced with an introduction by Dr. Virali Pandey, who welcomed all attendees and set the stage for the enriching session ahead. Dr. Ashish Rami then welcomed Ms. Swati Panchal with a sapling, symbolizing growth and development in the academic and professional spheres. The gesture reflected the university's commitment to fostering sustainable growth and knowledge among its students.

Innovation is the bedrock of progress and success in any field. Ms. Swati Panchal is a shining example of how innovation, coupled with dedication and hard work, can drive one to great heights. As a successful innovator, Ms. Panchal has traversed a remarkable path in the world of finance, leaving a trail of accomplishments and inspiration for others to follow.

Ms. Swati Panchal, an accomplished Chartered Accountant and Partner at Panchal S K & Associates, began her session by sharing her journey, experiences, and insights in the field of finance and innovation. She emphasized the importance of determination, perseverance, and continuous learning in achieving success in the corporate world. Ms. Panchal's inspiring words left a lasting impact on the audience, motivating them to pursue their goals with dedication and passion.

Following the motivational session, Dr. Sailesh Iyer presented a memento to Ms. Swati Panchal as a token of appreciation for her valuable contributions to the field of finance and her inspiring talk. This gesture symbolized the university's gratitude for her time and expertise.

To conclude the event, Ms. Poonam Chakravarthy expressed heartfelt gratitude on behalf of Rai University to Ms. Swati Panchal for her engaging and enlightening session. She also thanked all attendees for their active participation and emphasized the importance of such events in shaping the future professionals of tomorrow.

The event was a resounding success, leaving the attendees inspired and motivated to strive for excellence in their respective careers. Rai University remains committed to organizing more such enriching sessions to nurture and encourage the aspirations of its students.

<u>Workshop on Campus to Corporate</u>

Date :-17th oct , 2023
Venue:- Rai University

Rai University in Ahmedabad organized a comprehensive workshop titled "Campus to Corporate" on October 17, 2023. The workshop, conducted by the Institution's Innovation Council (IIC) and the Student Start up Innovation Policy (SSIP), aimed to bridge the gap between academic knowledge and practical skills needed for a successful transition from campus life to the corporate world. The event saw active participation, with 118 students and 18 faculty members attending the workshop.

The workshop, held offline, featured an esteemed speaker, Ms. Naisargi Shah, Founder and CEO of the Indian Institute of Mind Evolution. Ms. Shah shared her corporate experiences and insights to prepare students mentally for the challenges they might face in their professional journey. The objective was to equip participants with the right knowledge, skills, and attitude essential for excelling in the corporate environment. The guest welcome was graciously conducted by Dr. Brijendra Singh Yadav, the Registrar of RU, setting a positive tone for the event. Dr. Sailesh Iyer, the Dean of the School of Engineering (RSE), added a symbolic touch to the occasion with a sapling presentation, emphasizing the university's commitment to sustainability and growth.

Key highlights of the workshop included understanding corporate culture, developing professional skills, building confidence, and emphasizing the importance of networking. The program delved into adaptability, goal setting, work-life balance, financial literacy, conflict resolution, continuous learning, mentorship, and corporate etiquette. Practical exercises and simulations were incorporated to allow participants to apply their learning in real-life scenarios.

By attending the workshop, participants gained valuable insights into various aspects crucial for a smooth transition, skill enhancement, and increased employability. The event provided networking opportunities and instilled confidence, contributing to career advancement and long-term success. Attendees were also educated on the significance of adaptability, resilience, and continuous growth in the dynamic corporate landscape.

The culmination of the workshop included a memorable moment as Dr. Sanjesh Rathi, the Principal of the School of Pharmacy (SOP), presented mementos, recognizing the efforts of the guest speaker and acknowledging the significance of the workshop. The formal vote of thanks was extended by Mr. Aditya Yadav, Assistant Professor at the Rai School of Engineering, expressing gratitude to all the contributors who made the event a success.

The workshop was a comprehensive initiative to prepare students for the challenges of the professional world. The diverse topics covered and the practical approach taken during the workshop ensured that participants not only gained theoretical knowledge but also acquired practical skills essential for a successful corporate journey. The event contributed significantly to the holistic development of students, fostering a positive and proactive attitude towards their future careers.

RU Talks (6th Edition): Career Prospects in Artificial Intelligence

Date :- 18th Oct , 2023
Venue:- Rai University

Ahmedabad, a city known for its entrepreneurial spirit, has witnessed the rise of numerous tech luminaries. Among them, Mr. Harshit Choksi stands as a shining beacon of success and innovation. As the Founder of Pioneer Tech, an accomplished IT professional, and a digital marketing maven, Mr. Choksi has left an indelible mark on the industry.

Over the years, Mr. Harshit Choksi has forged successful collaborations with various esteemed entities, including the Gujarat Government, ISRO (Indian Space Research Organisation), and LIC (Life Insurance Corporation). His expertise in digital marketing has not only propelled his company but has also contributed significantly to the success of these government and corporate organizations.

One of the notable platforms where Mr. Choksi shared his insights was at the 6th edition of "RU Talks." The event, titled "Career Prospects in Artificial Intelligence," gathered renowned speakers, experts, and students alike to discuss the future of AI. As a distinguished speaker, Mr. Choksi brought a wealth of knowledge and experience to the stage, shedding light on the exciting prospects in the field of AI.

The event's inaugural address was delivered by Dr. Virali Pandey, a respected figure in the department of Rai School of Management Studies. Dr. Brijendra Singh Yadav, the Registrar, extended a warm welcome to all the attendees. A significant highlight of the event was the symbolic presentation of a sapling by Mr. Vardan Parmar, signifying growth and the nurturing of knowledge.

Mr. Choksi's insights into AI's applications and the opportunities it presents were pivotal in setting the tone for the event. His presentation was followed by a memento presentation by Dr. Sailesh Iyer, the dean of the prestigious Rai School of Engineering. This underscored the event's commitment to recognizing and honouring those who have made significant contributions to the field of AI.

To conclude the evening, a heartfelt vote of thanks was delivered by Ms. Laxmi Gupta, Lecturer of Rai School of Engineering, expressing gratitude to all the speakers, sponsors, and attendees who made the event a resounding success. The event not only provided a platform for knowledge sharing but also fostered connections and collaborations that are essential in propelling the field of AI and technology forward.

In an era where technology and innovation are driving the world, Mr. Harshit Choksi's accomplishments, coupled with his passion for sharing knowledge, continue to inspire and shape the future of IT, digital marketing, and the promising field of Artificial Intelligence.

Mr. Choksi's journey from a tech enthusiast to a visionary leader in the digital landscape serves as a testament to what can be achieved with dedication, innovation, and a commitment to excellence. His collaborations with prestigious institutions and his contributions to knowledge-sharing events like "RU Talks" ensure that the future of technology and AI remains bright and full of potential.

As we move forward in this digital age, luminaries like Mr. Harshit Choksi are guiding the way, lighting a path for others to follow, and shaping a future where technology serves as a powerful tool for progress and innovation.

Importance Of Profession Readiness Training

Date :- 19th oct ,2023
Venue :- Rai University

On the 19th of October 2023, Rai University, Ahmedabad, organized a highly informative webinar titled "Importance of Profession Readiness Training" in Clinical Research and Pharmacovigilance. The event, conducted online by the Institution's Innovation Council (IIC) and Student Start up Innovation Policy (SSIP), saw the participation of 41 students, 16 faculties, and two external participants from Clini India.

The primary objective of the webinar was to bridge the gap between academic knowledge and the practical requirements of the professional world in the fields of clinical research and pharmacovigilance. The transition from educational institutions to the workforce is a significant change for recent graduates, involving adaptation to new environments, responsibilities, and expectations. The event aimed to prepare participants for this transition, helping them make a successful entry into their careers.

The workshop, held at 3:00 p.m., featured Akansha Singh, an eminent personality from Clini India, as the speaker. The workshop's key objectives included providing a comprehensive understanding of clinical research and pharmacovigilance, developing essential professional skills such as communication and time management, building confidence, emphasizing the importance of networking, and encouraging adaptability to corporate settings.

The workshop covered a range of topics, including setting career goals, maintaining work-life balance, financial literacy, conflict resolution, continuous learning, mentorship, practical exercises and simulations, resume building, interview skills, personal branding, corporate etiquette, and the benefits of attending such webinars.

Participants gained insights into the scope of pharmacy, skill enhancement, industry-relevant knowledge, increased employability, networking opportunities, confidence building, career advancement, continued growth, adaptability, resilience, and long-term success. The webinar served as a valuable platform for students and faculty to interact with industry experts, enhancing their understanding of the professional landscape and equipping them with the knowledge and skills required for successful careers in clinical research and pharmacovigilance

Five-day workshop,"Indian Laws: Keeping Pace in the Digital Era"

Date :- 21st to 25th Nov,2023
 Venue :- Rai University

The five-day workshop, "Indian Laws: Keeping Pace in the Digital Era," organized by the School of Law at Rai University, took place from November 21st to 25th, 2023. The event aimed to explore the intricate relationship between law and technology, covering constitutional rights, IT and AI laws, consumer rights, intellectual property rights, and the Right to Information (RTI) in the digital age.

The workshop attracted participants from 15 states, including students, professionals, and advocates. It featured interactive sessions that combined theoretical knowledge with practical applications, providing valuable insights from legal professionals. The event fostered networking opportunities, connecting like-minded individuals and organizations passionate about legal issues.

Key highlights of each day included:

Day 1: Foundations of Freedom

• Speaker: Dr. Navtika Singh Nautiyal

• Explored constitutional rights in the tech-driven world.

• Emphasized foundational principles, ethical considerations, real-world applications, and civic engagement.

Day 2: Tech Titans

• Speaker: Prof. (Dr.) Sailesh Iyer

• Addressed IT and AI laws in the digital age.

• Discussed regulatory dynamics, ethical considerations, real-world case studies, and future trends.

Day 3: Empowering Consumers

• Speaker: Adv. Anchit Jain

• Focused on consumer rights in the digital marketplace.

• Covered legal frameworks, emerging trends, interactive workshops, and consumer empowerment initiatives.

Day 4: Guardians of Innovation

• Speaker: Dr. Saurabh Pandey

• Explored intellectual property rights in the global tech landscape.

• Included legal perspectives, tech innovations showcase, industry case studies, global collaboration initiatives, and interactive workshops.

Day 5: Transparency Unveiled

• Speaker: Prof. (Dr.) K.C. Raval

• Highlighted the power of RTI rights in the digital era.

• Covered digital accessibility, legal frameworks, success stories, digital tools, resources, and interactive Q&A sessions.

The workshop successfully achieved its objectives of providing a comprehensive understanding of legal aspects in the digital era. Participants gained insights from experts, engaged in interactive sessions, and networked with professionals sharing a commitment to transparency and accountability. The event contributed to the promotion of legal awareness, academic excellence, and the fostering of interdisciplinary discussions in the realm of Indian laws in the digital age.

Motivational Session on Success

Date :- 12th Dec,2023
Venue :-Rai University

Rai University in Ahmedabad orchestrated a noteworthy event, the "Motivational Session on Success", on December 12, 2023, with the aim of bridging the gap between academic knowledge and practical aspects in the field. Conducted in offline mode through a webinar, the seminar featured Mr. Anupam Sahoo, an esteemed Associate Professor in the School of Pharmacy at Rai University, as the distinguished speaker.

Active participation marked the success of the seminar, with 94 students and 12 faculty members engaging in the session. Mr. Sahoo, leveraging his extensive experience, provided valuable insights into the transition from academic learning to professional life, particularly in the pharmaceutical industry. His expertise added a practical dimension, offering a comprehensive understanding of challenges and opportunities.

The seminar's primary objective was to motivate and guide participants in making a successful transition from academic to professional life, emphasizing the importance of acquiring both theoretical knowledge and practical skills. Topics encompassed current trends in the pharmaceutical industry, requisite skills for success, and effective career planning strategies.Mr. Sahoo's interactive session encouraged active participation, allowing attendees to seek advice on various academic and professional pursuits. The workshop extended beyond the seminar, aiming to equip participants with a thorough understanding of pharmacy career prospects. It focused on honing professional skills, boosting confidence, and emphasizing networking, adaptability, and goal-setting for successful corporate navigation.

The event's success was evident in positive feedback from participants, expressing gratitude for the practical relevance of shared insights. The seminar served as a platform for deeper comprehension of real-world applications of academic knowledge, empowering participants to navigate their career pahs with confidence.Rai University's commitment to holistic development in the field of Pharmacy was highlighted. The success of the "Motivational Session on Success" underscored the university's dedication to organizing impactful events, fostering a culture of continuous learning and success while bridging the gap between academia and industry. The seminar contributed significantly to the holistic development and preparedness of students and faculty, exemplifying Rai University's commitment to excellence in education and professional growth

IEEE International Conference on Computer Science, Electronic Information Engineering, and Intelligent Control Technology (CEI 2023)

Date:- 15th – 17th December , 2023

Venue :- Rai University

Report on 3rd IEEE International Conference on Computer Science, Electronic Information Engineering, and Intelligent Control Technology (CEI 2023) on 15th - 17th December 2023. The 3rd IEEE International Conference on Computer Science, Electronic Information Engineering, and Intelligent Control Technology (CEI 2023) held at Rai University, Ahmedabad, on December 15, 2023, was a resounding success. This collaborative effort between Rai University, Huazhong University of Science and Technology (China), and Yango University (China) brought together researchers, academicians, and industry experts for a comprehensive exploration of advancements in computer science and technology.

The event, attended by 152 students and 12 faculty members, commenced with a traditional lamp lighting ceremony and Saraswati Vandana, creating an auspicious atmosphere. Ms. Laxmi Gupta and Ms. Arpita Nayak, both affiliated with the Rai School of Engineering, served as anchors, guiding the entire session. Professor Dr. Anil Tomar, the Honourable Provost of Rai University, delivered the inaugural speech, emphasizing the conference's significance in the rapidly evolving landscape of computer science and technology.

Dr. Brijendra Singh Yadav, the Registrar of Rai University, welcomed participants and highlighted the importance of cross-cultural exchanges and collaborative efforts in shaping the future of technology. The 1st Keynote Speech by Professor Dr. Maniklal Das, a distinguished figure in Information Security and Technology, provided profound insights into the conference's thematic areas, setting the stage for discussions.

A symbolic exchange of saplings and mementos to speakers and contributors by Ms. Poonam Chakravarty recognized their valuable contributions, fostering camaraderie among participants. The oral presentations that followed showcased cutting-edge research and innovations, highlighting the interdisciplinary nature of the conference.

The 2nd Keynote Speech by Professor Dr. Sailesh Iyer enriched the conference with profound knowledge, serving as a catalyst for further exploration. Attendees delved deeper into specific aspects of the conference themes, gaining a nuanced understanding of challenges and opportunities.

The conference's heart lay in engaging discussions and presentations, followed by a healthy lunch break. The intellectual feast continued, underscoring the dynamic and evolving nature of computer science, electronic information engineering, and intelligent control technology.

Mr. Dhruv Trivedi, Assistant Professor at Rai School of Engineering, delivered the closing vote of thanks, expressing gratitude to participants and organizers for their contributions. Sponsors were acknowledged for their crucial support in making the event possible.

Workshop On "Engineers Day Celebration"

Date :- 15th September ,2023

Venue :- Rai University

Objective:

✤ The main goal was to provide knowledge to youth about Engineers day and give a platform to interact with Guest.

Benefits

✤ Various tools and technology related to engineering and they got a platform to showcase their creativity.

About the Event:

✤ This event provides platform to showcase their immense talent and dedication of our engineering students in Model/Poster Presentation.

Highlights of the Workshop:

Engineering Day is a significant event dedicated to celebrating the achievements, innovations, and talents of our engineering students. Rai University organized a workshop on 'Engineers Day Celebration' on 15th September 2023 at 10:00 am. The speaker of the workshop was an eminent personality Mr. Amit Kholkute 23 years of professional experience in SAP. He is ERP practitioner and researcher. He is woking with Tata Consultancy Services and playing multiple roles ranging from SAP consultant, Technical architect, project and program management, delivery head serving the customers across the globe transforming their IT footprint to ERP, Sustaining the same and advising them to adopt their innovation for standardization and simplification of their IT application footprint. In his present role he is working with global customers as advisor for modernization of ERP – SAP to enable digital transformations.

Mr. Amit Kholkute completed his master's degree from BITS Pilani in Mechanical Engineering and bechlar's degree in Production Engineering from Nagpur University. He is pursuing his PHD from GLS university Ahmedabad in Management(ERP).

He also shared his industrial journey with the students and some life long learnings which is very useful for the students. The session was further highlited on the word "Engineers". He explained the how this world is getting revolutionized by engineers. He also motivated students to create something magnificient being an Engineer which can be memorized by upcoming generations.

Highlights of Engineers day celebration

1. Poster and Model Presentation Competition:
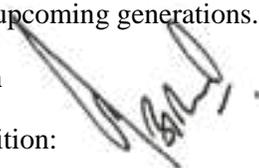

REGISTRAR

RAI UNIVERSITY
AHMEDABAD

The Engineering Day festivities kicked off with a Poster and Model Presentation Competition. Students from various engineering departments participated in this event, displaying their projects, innovative designs, and engineering solutions. The competition provided a platform for students to showcase their creativity and technical expertise. Mr. Kamlesh Patel, Dr. Sandip Chandra, Dr. Dhanya J.S. was the judges of the model presentation and Ms. Poonam Chakravarty, Ms. Bhoomi Patel, Dr. Purvi Kalal was the judges for the Poster presentation. Judges, consisting of faculty members and industry professionals, evaluated the presentations based on content, clarity, and innovation.

2. Treasure Hunt for Students

One of the most anticipated activities of the day was the Treasure Hunt, which saw enthusiastic participation from 60 teams of students. The treasure hunt challenged teams to solve puzzles, follow clues, and navigate through the campus to uncover hidden treasures. It was a thrilling adventure that tested teamwork, problem-solving skills, and quick thinking.

3. Quiz for the Top Ten Teams:

After an exhilarating treasure hunt, the top ten teams emerged as finalists and advanced to the Engineering Quiz. This quiz was designed to assess their engineering knowledge, critical thinking abilities, and awareness of current technological trends. The competition was intense, with participants demonstrating their mastery of engineering concepts and principles.

4. Prize Distribution:

The climax of the Engineering Day celebration was the Prize Distribution ceremony, where the winners of the Poster and Model Presentation Competition, the Treasure Hunt, and the Engineering Quiz were recognized and rewarded for their exceptional efforts. Prizes included certificates and trophies.

In Poster Presentation competition, Yagnik Krupali has secured 3rd rank, Dhruvi Jani & Prince Raj has secured 2nd rank and the 1st rank is secured by Abhishek Sharma,Jagdeep Mohanty, Harsh Tiwari, Abhinav Samntra and Anand Maurya.

In Model Presentation, Dushyant Bhoi & Arkan Shekh has secured 3rd rank, Yakub Khan, Ritish Raval, Ravi Gajjar & Taxak Gajjar has secured 2nd rank and the 1st rank is secured by Mrunal Gaikwad, Pushkar Singh and Sheikh Asif.

In Treasure Hunt and Kahoot Quiz, Rahulkumar Sohil, Tanmay shivam has secured 3rd rank, Natasha Chhikodzor, Tapasvi Jha, Priya Sana, Sneha Raj & Khushboo Giri has secured 2nd rank and the 1st rank is secured by Mohammad Kapasi, Harsha and Dev Saini.

The ceremony was attended by faculty members, students and HODs. This event not only celebrated the achievements of our engineering students but also encouraged a spirit of camaraderie and healthy competition within the university community. It served as a reminder of the crucial role that engineers play in shaping our world and solving complex challenges.

International Woman's Day Celebration 2k22

Dated:- 8th March, 2022
Venue-Rai University Campus

In 2022, Rai University Ahmedabad marked International Women's Day with fervor, hosting dignitaries such as Dr. Munira Master and Dr. Ankita Suryavanshi. Over a hundred women from Chaloda and Saroda villages attended the event, where Dr. Nita Solanki delivered an introductory speech emphasizing gender equality. Dr. Ankita provided insights into hygiene practices, and Dr. Munira Master highlighted government schemes for women, stressing key health issues like anemia, pre-pregnancy death ratios, family planning, and menstrual hygiene. She urged the audience to prioritize education and health. Rai University distributed sanitary napkin packs to rural females and adolescent girls, promoting menstrual hygiene. Additionally, a tree plantation program was conducted on campus, involving the Chief Guest and village women. The event successfully combined awareness, education, and community engagement in celebration of International Women's Day.

'Fight Against Covid-19: Appropriate Behavior, Vaccination, Medication & Prevention'

Dated:- 8th May, 2021
Venue-Rai University Campus

The COVID-19 pandemic in India is a part of the worldwide pandemic of Coronavirus disease (COVID-19) caused by severe acute respiratory syndrome Coronavirus 2 (SARS-CoV-2). Department of Management, Rai School of Management Studies, Rai University organized a webinar on 'Fight against Covid-19: Appropriate Behaviour, Vaccination, Medication & Prevention' on th 8 May 2021. Many participants attended the event from various cities of India. Ms. Sneha Thakkar (Assistant Professor-Healthcare & Hospital Management) welcomed the Speaker of the webinar Dr. Jiniyas A Rajvi (MBBS, MD-Forensic Medicine), Medical Health Officer, Urban Health Center, Patan. Dr. Jiniyas addressed the audience about – Awareness about Covid-19, Precautions to be taken care before and after Covid for patients, Patterns of Corona virus, Importance of vaccination, Vaccine registration process, Myths about Covid-19 medicines and vaccine. Coronavirus disease (COVID-19) is an infectious disease caused by a newly discovered coronavirus. Most people infected with the COVID-19 virus will experience mild to moderate respiratory illness and recover without requiring special treatment. Older people, and those with underlying medical problems like cardiovascular disease, diabetes, chronic respiratory disease, and cancer are more likely to develop serious illness. The best way to prevent and slow down transmission is to be well informed about the COVID-19 virus, the disease it causes and how it spreads. Participants have discussed their queries about Covid-19 with the experts. The session concluded with vote of thanks to Dr. Jiniyas, Dr. Anil Tomar, Provost, Rai University by Dr. Ashish Rami (HoD- RBS, Director-CRD, Rai University).

Healthy Minds, Healthy Lives

Dated:- 22nd May, 2021

Venue-Rai University Campus

During the pandemic, many people are affected by COVID-19 resulting in not only physical health issues but also mental health problems. Rai University took initiative about mental health issues for their students and their relatives. Rai University, Ahmedabad has started a virtual counseling program from 22 May 2021. Virtual counseling is being done by Dr. Pooja Thakar (Psychologist and Assistant Professor, Department of Psychology, Rai University, Ahmedabad). Students are counseled personally for their mental health related problems like depression, sleep disorder, lack of concentration, career related anxiety, stress, negative thinking, grief, and panic attack etc. Counseling is very useful for all this mental health related issue. It is important for the student to get relief from such problems to concentrate well in the study. Rai University, Ahmedabad not only thinks about the academic growth but also about the mental health of students and their relatives during the pandemic situation. Moreover, Counseling psychologists focus on facilitating personal and interpersonal functioning across the lifespan. This specialty pays particular attention to people's emotional, social, vocational, educational, health-related, developmental and organizational concerns.

Environment Day Celebration

Dated:- 5th June, 2021

Venue-Rai University Campus

The Department of Life Science, Rai School of Sciences, Rai University, celebrated World Environment Day with multiple events. Rai University on the occasion of Environment Day formulated a new cell under the kind guidance of Dr. Anil Tomar, Provost, Rai University "RU Environment Protection Cell" with tagline "join hands to save the environment". Cell aims, commitment towards the environment protection, biodiversity conservation, green campus and recycling of waste under the coordinator-ship of Dr. Rushika Patel, Assistant Professor, Rai University. As a very first initiative, the cell signed a MOU with the Wildlife and Conservation Biology (WCB) Research Foundation for awareness drive and capacity building through education and science. e-MOU signing ceremony was conducted in presence of Dr. Nishith Dharaiya, Director, WCB Research, Associate Professor, HNG University and Dr. Sailesh Iyer, Head Tie-ups, Rai University. In the e-MOU signing ceremony, benefits to society toward environment protection and strategies of environment conservation were discussed.In line with the events, Webinar series were also conducted. Dr. Rushika Patel addressed the speaker's of the webinar series Dr. Minal Jani (IFS), Assistant Conservator of Foresters, Devgadh Baria and Mr. Shwetal Shah, Technical Advisor at Climate Change Department Government of Gujarat. In this webinar series, two things were mainly focused. One was women empowerment in the field of environment protection and wildlife conservation and second was the theme of Environment day this year, Ecosystem Restoration, which aims to prevent and reverse the degradation of ecosystems on every continent and in every ocean. Such aims are only achieved through public participation. Dr. Minal Jani delivered a talk on opportunities and contribution of women in forest and wildlife conservation. She encouraged and motivated our female participants. Mr. Shwetal Shah delivered a talk on Climate Emergencies and Role of Citizens.

Live Webinar On "Dissolution Testing Of Formulation: A Regulatory, Industry And Academic

Dated:- 12th June, 2021

Venue-Rai University Campus

Live Webinar on "Dissolution testing of formulation: A Regulatory, Industry and Academic perspective"was organized by School of Pharmacy at Rai University, Ahmedabad, Gujarat on th 12 June 2021 between 02:00 pm to 03:00 pm. Dr. Khushbu Patel Assistant Professor, Rai School of Sciences welcomed Dr. Dhaval Madat (Mamlatdar & Assistant Magistrate at Malpur, Arvalli District and Former Assistant Professor from reputed Government Pharmacy College). He conducted a talk with students in which he delivered valuable knowledge about dissolution and disintegration parameters which are useful for pharma industries. Students of Pharmacy as well as researchers from various states from India had participated. Objective of the webinar is to get knowledge regarding dissolution. Drug dissolution testing plays an important role as a routine quality control test for characterizing the quality of the product and accepting product sameness under SUPAC (Scale-Up and Post-Approval Changes) related changes in order to waive bioequivalence requirements for lower strengths of a dosage form and to support waivers for other bioequivalence requirements. The guidance of dissolution developed by the regulating agencies provides recommendations on the development of dissolution test methodology on how to set the specifications for dissolution testing.

"Interview Preparation"

Dated:- 8th July, 2021

Venue-Rai University Campus

Provide us an opportunity to build a personal rapport while having a professional conversation. Depending on the type of industry, interviews are conducted for a variety of purposes including Job, Performance Assessments and Prepare Informational Articles. Cracking an interview and getting selected for the job position is considered to be a challenging task. Having a right skill set for the respective job designation is a major concern. Considering this, Corporate Resource Cell of Rai University, Ahmedabad Organized a workshop on th "Interview Preparation" on 8 July, 2021. All the participants were welcomed by Prof. Mrugesh Shah(Training & Placement Officer, Rai University). Mr. Suhas Kumar(Public Speaker, Trainer, Influencer)was invited as our keynote speaker. He is a CEO of Potters Wheel (Training Consulting Firm). He has corporate experience of more than 20 years. He talked on various aspects of the interview process and questions asked normally in the interviews. He gave deep insights of mistakes which candidates make while attending interviews and explained about overcoming those mistakes. He explained how to give the answers very effectively of certain questions like,

-Why should we hire you?
-Where do you see yourself 5 years from now?
-What are your strengths and weaknesses?
-When can you join if selected?
-How much salary do you expect?
-What do you know about our company?

Mr. Suhas Kumar explained all the scenarios of the Interview Environment. He also elaborated the ways of explaining and justifying the answers of various questions and make a very good impression on the interviewer. He concluded the workshop by motivating everyone to stay calm and positive during the interview process. Dr. Nita Solanki(HOD, School of Law) conveyed vote of thanks to Mr. Suhas Kumar.

Noble Tasks Performed By The Students Of Rai University

Students of MBA- Hospital and Health Management, Rai School of Management Studies, Rai University, Ahmedabad expresses their condolences to them who lost their lives in Covid-19 Pandemic situation. In this second wave, Community faced many difficulties for getting Oxygen Cylinders, Oxygen Flow meter and beds. Dr.Varun Devmurari, Dr. Nidhi Hudani and Badal Thakkar (students of MBA- HHM) have done very commendable tasks under the guidance of Dr. Ashish Rami (HOD, RSMS) and Prof. Sneha Thakkar (Assistant Professor, MBA-HHM). Besides their regular study, they performed these activities along with students who are studying in MBA-HHM at RSMS. They have completed these tasks successfully in some Hospitals as well as Public Health Centers. DR. Nidhi Hudani provided the help for community health care at Goenka hospital. She provided the help to the hospital for consulting patients brought using an ambulance and took them to Casualty Wards for treatment. While accessing the severity of the patients, she initiated primary treatment and provided supportive steps for preventing the patients. After doing initial management, patients were shifted to respective wards or ICU according to severity. She prevents patients from secondary infections and dangerous consequences of COVID 19. Dr. Varun Devmurari found so much workload assigned to doctors and paramedical staff so he started providing treatment through telemedicine and tele counseling to make Covid-19 patients stable. He was providing services in Vaccine Registration, Providing vaccine to people, RT PCR testing, Covid-19 surveillance activity and Supervision along with containment zone management activities.

Badal Thakar was also one of the members of the Unit serving Covid-19 patients. He was found in managing Oxygen Flow meter, there was a main difficulty found in getting oxygen flow meter and oxygen mask. As Common public was totally unaware, many businessmen tried to introduce industrial flow meters in the market. Industrial flow meters are very risky for human life. So, He supported in stopping the use of industrial flow meters by sharing awareness to the people.

It is appreciable that Government of Gujarat is encouraging hospitals to provide COVID-19 care facilities and granting the permission easily for the same. Here, It can be understood that Government and Private Sectors are setting up health care units for people. They follow this tagline "BOTH ARE WORKING TOGETHER".

ON FUTURISTIC TRENDS FOR SUSTAINABLE ECOSYSTEM (FTSE 2021)

Dated:- 26th - 28th august, 2021

Venue-Rai University Campus

Multidisciplinary International Conference on Futuristic Trends for Sustainable Ecosystem (FTSE 2021) is organized by Rai University, Ahmedabad in collaboration with Universidad Th th Autonoma de Tamaulipas (UAT, Mexico) from 26 to 28 August, 2021. The inauguration ceremony commenced with the virtual lighting of the lamp in presence of all the dignitaries. The Inauguration ceremony was graced her o n . S h r i . Bhupendrasinh Chudasama (Chief Guest, Cabinet Minister, Higher & Technical Education, Government of Gujarat, FTSE 2021), Shri S.J. Haider (Guest of Honour, IAS, Principal Secretary, Higher & Technical Education, Government of Gujarat), Dr. Fernando Ortiz Rodriguez (UAT, Mexico) and Dr. Sanju Tiwari (UAT, Mexico). Dr. Anil Tomar (Provost Rai University and Chief Patron FTSE-2021) extended a warm welcome to all the dignitaries and participants and urged them to engage in knowledge sharing using this opportunity for creating a network of researchers in their particular domain. He also emphasized the research community to focus on current and upcoming technologies like IoT, Artificial Intelligence, Machine Learning, Block Chain, Smart Grid, etc. Shri. Bhupendrasinh Chudasama graced this auspicious occasion with warm wishes and congratulated Rai University for taking this initiative and providing a platform for Researchers and Academicians around the globe to converge for exchange of novel ideas. His inspiring speech covered the initiatives taken by Government of Gujarat for Research and Development. International Collaboration between Rai University and UAT, Mexico was also highlighted as a step towards globalization of Education and Research.

Dr. Sailesh Iyer (Professor and Dean, CSE Dept, Rai University) thanked Dr. Anil Tomar and Shri. Bhupendrasinh Chudasama for inspiring thoughts. Conference Highlights was provided by Dr. Sailesh Iyer with due emphasis on International Keynote Speakers Dr. KC

Santosh (University of South Dakota, USA), Dr. Mohammad Shojafar (University of Surrey, UK), Prof. Nooraini Binti Youp (Director, Open University, Malaysia) and Dr. Asfar Azmi (Wayne State University, School of Medicine). More than 230 papers were received, out of them 105 quality research papers have been selected for presentation and publications in reputed journals like Springer CCIS, Taylor and Francis Conference Proceedings. Dr. Fernando provided insights on current advancements and urged all to participate in more research oriented activities. He appreciated the role of Rai University in the collaboration initiative and wished Rai University for providing a platform for promoting research. Dr. Sanju Tiwari thanked Dr. Anil Tomar and the organizing committee of the conference for their initiative.

She explained whole process of publishing research papers in detail and the importance of Plagiarism. She thanked all the guest speakers of different tracks. Dr. Ashish Rami thanked all the dignitaries of the Conference. He thanked Dr. Anil Tomar for providing an opportunity to organize the conference. He thanked Shri. Bhupendrasinh Chudasama, Dr. Fernando and Dr. Sanju Tiwari. And the entire Conference Team, Teaching and Non-teaching staff members for their help and support in smooth execution of the Conference.

There were four tracks of the conference. Track 1 was based on Information and Communication Technology. Convener of Track 1 Dr. Sailesh Iyer welcomed keynote speaker Dr. K C Santosh (Chair & Associate Professor of Computer Science, The University of South th Dakota) on 26 August, 2021. He discussed about use of Artificial Intelligence for infectious diseases like Pneumonia and Covid-19 to predict, screening and decision making.

Track 2 was based on Engineering, Technology & Sciences. Convener of Track 2 Prof. Yashesh Darji welcomed keynote speaker Dr. Mohammad Shojafar (Senior Lecturer (Associate Professor) in Network Security Head of network Security And privacy LAB (SARI LAB) the University of Surrey, Guildford, United Kingdom) on 27 August, 2021. He shared his knowledge on network security and Privacy (5G network), distributed systems, cloud data center and fog computing. Track 3 was based on Arts, Humanities, Social Sciences, Management & Education. Convener of Track 3 Dr. Ashish Rami welcomed keynote speaker th Prof. Nooraini Binti Youp (Director, Open University, Malaysia) on 28 August, 2021. She

REGISTRAR

Gender Equality In Current Era

Dated:- 7th September, 2021

Venue-Rai University Campus

Webinar on "Gender Equality in Current Era" was organized by Gender Champion Club, Rai University, Ahmedabad on 7 September, 2021 at 10:00 AM. All the students as well as faculties of Rai University had participated in the webinar. Objective of the webinar was to spread awareness of Gender Equality by promoting Women Empowerment. Mr. Mrugesh Shah (Training and Placement Officer, Rai University) welcomed Dr. Archana Gadekar (Associate Professor, Department of Law, MS University, Vadodara). More than 150 participants had attended the webinar. She talked about the importance of women in society in the current era and how women have succeeded in various fields. She focused on promoting women empowerment by giving certain examples of successful women and also explained how women are to be considered equal with men. She discussed different cases which took place in the past and how Supreme Courts and High Court gave the judgements in favor of women for their safety and prestige. Women are the foundation in the creation of society and they must not be underrated. In the current era, women are working on higher designations in different organizations giving an example of managing work responsibilities along with personal responsibilities. In fact, in some of the fields women are ahead of men where they have shown exemplary leadership skills. Dr. Archana Gadekar also shared opinions given by some well known experts on women empowerment and its importance in bringing equality of gender and its usefulness. Dr. Nita Solanki (Head of Department, School of Law, Rai University) delivered a vote of thanks. She thanked Dr. Archana Gadekar for giving important insights on gender equality. She thanked Dr. Anil Tomar (Provost, Rai University) for giving an opportunity to conduct this webinar. She also thanked Prof. Veerendra Singh Nagoria (Deputy Registrar, Rai University) for his help and support for this webinar.

Industrial Visit At 'Amul Chocolate Unit-Food Complex

Dated:- 24th November, 2021

Venue-Rai University Campus

Amul Dairy and the Chocolate Factory is a cooperative organization jointly owned by 3.6 million milk producers in Gujarat and managed by the Gujarat Cooperative milk marketing federation.It is one place you can go to discover the real chocolate-making process. It's a perfect haven for chocolate lovers. Before you enter the factory sniff your nose off the grime and let your senses inhale the natural aroma of cocoa and indulge in a temptation to make your trip a heartfelt one.Rai University Ahmedabad had organized a visit to one of the biggest chocolate units in India, Amul Chocolate th Unit-Food Complex, on 24 November 2021. The visit was planned for the students of RaiSchool of Management and School of Pharmacy accompanied by the faculties: Dr.Sandip Chandra, Dr. Shalini Bajaj, and Mr. NavinrajMourya. The students of B.Com, BBA, B . P h a rm, M. P h a rm, a n d MBA are their time beneficiaries of the visit. AMUL's unique invention and rapid expansion across Gujarat inspired political leaders to replicate the successful business model in other parts of India. Thus, Amul Dairy became instrumental in bringing about the White Revolution in India, also called the Operation Flood.

Amul's business model also played a key role to transform India from a milk deficient country to one of the largest producers of milk in the world. Apart from a state-of-the-art factory, Amul headquarters in Anand houses a dairy museum and some Amul parlors. Amul is an Indian dairy cooperative, based at Anand in the state of Gujarat, India. Formed in 1946, it is a brand managed by a cooperative body, the Gujarat Cooperative Milk Marketing Federation Ltd. (GCMMF). The objective of the visit was to familiarize the students with one of the most important aspects of a chocolate product and be aware of the organizational culture.
Amul's team member has introduced the company profile and its present functioning for different bakery products. The technical team explained every step involve in chocolate production like slurry making, cooling, adding flavoring agents, smoothening, hardening, storing, and packaging of chocolate. Team also explains the automation of machines involve in the production of large quantities of chocolate and existing computerized controlled Machinery. The visit helped students to understand the chocolate process and working system of dairy and gain an active insight into practical aspects of the current education field.

INDUSTRIAL VISIT IN "LEO NUTRISCIENCE LLP."

th Date: 7 December 2021

67

Benefits of attending the workshop:

Industrial visit has its own importance in a career of a student who is pursuing a professional degree. It is considered as a part of college curriculum and objectives of industrial visit is to provide students an insight regarding internal working of companies. We know, theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, industrial visit provides students a practical perspective on the world of work.

About the Industrial Visit:

According the route and time plan one bus were departed and reached the Leo nutriscience LLP, Dehgam, Ahmedabad at 11:30 am, The Security officer welcome the bus and guided for the entry in formulation plant and seminar rooms. Two batches of the students were divided and one batch was headed for formulation plant and second batch was entered in seminar room. Lecture room was very sophisticated where the tea and biscuits were served for the students during the lecture. The PPT presentation was very informative with the introduction of company profile and principles. The important processes of the manufacturing of the tablets and capsules were explained. They cover each and every small aspects of the tablet making by giving today's life examples. Many students have asked the queries and the the instructor solved them very cleverly and politely. After seminar the students were headed for the delicious snacks and tea provided without any charge. After snacks second batch moved for the formulation plant visit where Mr. RakeshLukhi has guided all the students how to keep a safety and sterilized aprons. He started with the granulation plant where he explained all the equipment and procedures used in the granulations. Also he has explained the strict regulations followed in weighing of the all required chemicals used in the formulation. After granulation unit, batch was moved for the actual tablet making machines; all the machines were automatic and with high efficiency. Some machines had finishes the batches and some were in actual working conditions. In the continuation there was a tablet the coating unit all the students have seen and understand the procedures of tablet coating. In the second last part the batch was gone for the packing zone, there all the students has seen all types of nutraceutical packaging as primary, secondary and tertiary packaging units. The last part of the plant visit was storehouse where Mr. Rakesh has explained the guideline of the storehouse and important symbols on the stored materials. He also given a demo of how to load and unload the stacks of the materials by using an automated cart. All the students were gathered at the main gate for the departure, where Production head Mr.KapilBhimani and

He explained to the students how to get started with Python, define functions, library files available, etc. He also covered the topics like Operators, Controls, Decision making loops with examples. The students were told about Applications of Python, Machine learning, Data Science, Hardware programming with python, Web applications with Django Framework & Job opportunities. He has also explained the Django Framework with examples.

The session was extremely interesting for the students and they got an opportunity to hear and learn from an industry expert. Dr. Sailesh Iyer appreciated and thanked the Speaker for the knowledgeable session and encouraged the participants to participate in upcoming webinars and workshops by CSE Dept., Rai School of Engineering, Rai University.

SCHOLARSHIP QUIZ

Dated:- 16th May, 2020

Venue-Rai University Campus

The School of Life Sciences at Rai University, Saroda, Dholka, and Ahmedabad organized a Scholarship Quiz on May 16, 2020, aimed at identifying and rewarding talented students. The quiz was open to participants who had completed their 12th grade, regardless of their discipline. Designed to assess the reasoning and intellectual abilities of the students, the quiz served as a platform to recognize promising individuals. The competition attracted a significant number of participants, each eager to demonstrate their skills and knowledge. The event was successful in bringing to light the most talented students, who were then considered for attractive scholarships based on their performance. This initiative not only encouraged academic excellence but also provided deserving students with the financial support needed to pursue higher education, reinforcing Rai University's commitment to nurturing and empowering the next generation of scholars and innovators.

MEME MARKETING: THE FUTURE OF SOCIAL MEDIA MARKETING

Dated:- 28th September, 2020

Venue-Rai University Campus

Rai Business School at Rai University, Ahmedabad, organized an insightful online certificate course titled "Meme Marketing: The Future of Social Media Marketing," tailored for students and academicians. The one-day course, held under the guidance of Mr. Dignesh S. Panchasara, Assistant Professor of Marketing at Rai Business School, aimed to enhance participants' understanding of the emerging trend of meme marketing. Mr. Panchasara shared his expertise on how memes have become a powerful tool in modern marketing strategies, illustrating his points with various examples through PowerPoint presentations and YouTube videos. The course effectively demonstrated the potential of memes to engage audiences and convey marketing messages in a relatable, humorous manner. With over 400 participants successfully completing the course, taking an exam, and receiving E-certificates, the event was a resounding success. It not only broadened the participants' knowledge but also equipped them with practical skills to leverage meme marketing in their future endeavors.

MISSION INDIA 2030

Dated:- 04th June, 2020

Venue-Rai University Campus

Webinar on Mission India Mission India 2030, Opportunities for entrepreneurs and startups was organized by School of Engineering and Applied Sciences and Internal Quality Assurance Cell (IQAC), Rai University, Ahmedabad, Gujarat on 4th June 2020 during 3.30 to 5.00 pm. Our University is profound enough to invest in emerging the skills of Students and faculties as it is the only way to make them stand in the modest world. Mr. Prakash Varmora President , Federation Of Industries & Associations , Gujarat Chairman Emeritus – Varmora Group had discussed how entrepreneurship development helps institutes and manage businesses that can improve their entrepreneurial competencies and develop cadres of trainers in entrepreneurship. It also Facilitates interface with policymakers and fosters networks with Central and State Governments, Entrepreneurship Development Institutions, Industry and other stakeholders. It would assist in capacity building, training and institution- building in the field of entrepreneurship with focus on innovation, incubation and digitalization at national & international levels.

Mr. Vaibhav Choksi Chairman-Employment cell, Federation of Industries & Association, Gujarat Chairman – Jaldhi JOBS, India delivered a talk on technology of future startups. He shared his views on Artificial Intelligence, Internet of Things, Edge Computing and 5G, Virtual Reality and Augmented Reality, Start Up Policy and funding Projects. AI will make our future very bright. There's no virtual industry for modern AI. More specifically, "narrow AI," which performs objective functions using data-trained models and often falls into the categories of deep learning or machine learning — hasn't already been affected. That's especially true in the past few years, as data collection and analysis has ramped up considerably thanks to robust IoT connectivity, the proliferation of connected devices and ever-speedier computer processing. Mr Ajit Shah, Hon. Secretary, Federation of Industries & Association, Gujarat addressed start up policies that will drive sustainable economic growth and generate large scale employment opportunities. This Webinar was well received by good number of Participants who were very vigorous, cooperating and excited throughout the webinar, Prof. Yashesh Darji and Prof. Pradip Maradiya, Conveners thanked Audience and Resource Persons for making this interactive and assured that Rai University is committed to encouraging Research and more events of this kind will be rolled out in the future.

Artificial Intelligence In Industry

Dated:- 06th June, 2020
Venue-Rai University Campus

CSE /IT Dept., Rai School of Engineering, Rai University organized a Webinar titled "Artificial Intelligence in Industry" on 6th June 2020 under Advanced Technology Webinar Series to encourage skill building.Miss. Poonam Chakravarty, Assistant Professor of CSE/IT Department, Rai School of Engineering, Rai University welcomed the Speaker and Participants emphasizing the need for skill building and use of Artificial Intelligence. Shri Sairam Vedam, Chief Marketing Officer, Innominds covered basics of Why is AI Transformational?, AI for planet, AI in India, AI in life, AI for business, Market value of AI, AI case study for transforming business & future of AI companies etc.

 Artificial Intelligence in Industry concept was explained to the participants with live and real time examples. He discussed the use, importance and lucrative Career opportunities in the AI field. This was an informative Session with use of how to work with AI, AI application and AI future in Industry. The Webinar session was very interactive with the participants responding with relevant questions and observations. The participants' feedback was very encouraging and appreciated the flow of the Webinar. Dr. Sailesh Iyer appreciated and thanked the Speaker for the knowledgeable session and encouraged the participants to participate in Advanced Technology Webinar Series organized by CSE/IT Dept., Rai School of Engineering, Rai University. He also thanked Provost Sir, RU Management and appreciated the effort of the CSE/IT Team in organizing this event.

Challenges Of Working From Home-2020

Dated:- 12th June, 2020

Venue-Rai University Campus

One Day live webinar on "Challenges of Working from Home-2020" was organized by Department of Science, School of Arts, Science and Commerce and Internal Quality Assurance Cell at Rai University, Ahmedabad, Gujarat on 12th June 2020 between 11:00 am to 12:30 pm. Prof. Pradeep Kumar Singh (Head, Assistant Professor), Department of Science welcomed Dr. Sandesh Chibber (Associate Professor, Rai University).

There are many challenges of working from home during the CoronaVirus pandemic and what employers can do to help employees feel less stressed and be more productive. Many employers are pushing back timelines for employees to return to the workplace due to the number of new cases of COVID-19 in all over the world. Working from home is the best way to keep employees safe who have the capability to do so. But it doesn't come without its challenges. Employees working remotely during the coronavirus pandemic grapple with distractions, the blurred line can be observed between working from office and home. They also have trouble maintaining a routine. Employers can limit each of these drains on productivity and job satisfaction to lower the risk of burnout and keep the team connected while employees continue to work from home.

The keynote speaker Dr. Sandesh Chibber covered various important topics of working from home due to the pandemic situation. He focused on challenges, lacking a routine and work life balance, future of working from home, etc.

Covid-19 General Awareness Quiz

Dated:- 13th June, 2020

Venue-Rai University Campus

The School of Pharmacy at Rai University, Ahmedabad, organized a Covid-19 General Awareness Quiz on June 13, 2020, from 10:30 am to 11:30 am. This initiative aimed to educate and empower participants with essential knowledge to combat the spread of Covid-19, thereby contributing to the safety and well-being of communities. Recognizing the crucial role that information and awareness play in preventing the transmission of the virus, the event was designed as a proactive measure to engage a broad audience in understanding key aspects of the pandemic, including symptoms, preventive measures, and the importance of vaccination.

The quiz saw an overwhelming response, with approximately 7,000 participants from various backgrounds joining in. This large-scale participation underscored the collective commitment to fighting the pandemic and the success of the university's outreach efforts. The event was more than just a quiz; it was a rallying cry for public health, aiming to instill a sense of responsibility and informed action among participants. Through this quiz, the School of Pharmacy demonstrated its dedication to public service and its role in the global fight against Covid-19, making a meaningful impact during a critical time.

Aatm Nirbhar Swatantra Bharat

Dated:- 14th August, 2020
Venue-Rai University Campus

The event of "Aatm Nirbhar Swatantra Bharat" was organized on 14th August, 2020. It was inaugurated by deputy registrar academics Prof. Veerendra Singh Nagoriya. The celebration started with worshiping the goddess of learning maa Sarasvati in virtual mode. The inaugural speech was delivered by Dr. Sailesh Iyer (Professor, CSE/IT department). He inspired students with his words of wisdom. We considered the theme of upcoming festivals (Janmashthami and Independence Day) for the entire event.

The birth of Lord Krishna, Janmashtami, is celebrated with pomp and fervor throughout India. Devotees usually observe fasts, sing devotional songs in praise of the lord, participate in Dahi Handi celebrations, hold ceremonies in temples where Lord Krishna is welcomed each year.

The Independence Day of India which is celebrated religiously throughout the Country on the 15th of August every year, holds tremendous ground in the list of national days since it reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism of more than 200 years. It was on 15th August, 1947 that India was declared independent from British colonialism and the reins of control were handed over to the leaders of the Country.

Various events were held for the celebration. Initially, students were instructed about the rules and regulations of the competition by event coordinators Prof. Jigar Pandya and Prof. Nishant Vyas. Students participated enthusiastically in the event. Students gave a very interesting speech on "Make in India" and "Atma Nirbhar Bharat". They gave interesting and innovative ideas about the start-ups. A student gave a speech on our brave soldiers and "Surgical Strike". A group of students also spoke about the story of Lord Krishna in a very unique manner.

Under the "Suravali" competition, some students sang songs of Lord Krishna. Periodic songs were also sung by the students. Under the "Chitrakala" competition, students demonstrated their art in painting. They drew very unique pictures of Krishna, our soldiers and krantiveer.

After completion of all three events, we declared winners and runners-up of all the events and awarded them with certificates. In the end, feedback from students regarding the event was taken, they were more than happy and requested us to arrange such events in the coming weeks.

SIX DAYS ONLINE FACULTY DEVELOPMENT PROGRAMME "RESEARCH METHODS AND TECHNIQUES"

Dated:- 14th to 19th September, 2020

Venue-Rai University Campus

Due to the impact of COVID-19 pandemic and serious outbreak across the world, a drastic change is taking place among educational institutes adopting online mode of teaching learning. In this context, the main objective of this Faculty Development Programme was to quality use of this period having consideration of suggestions of UGC to promote research orientation. Research Methodology is indispensable in every field of higher education, be it social sciences, pure sciences or business studies. The present program is designed in such a way for the six days, so as to give exposure to the participants about research problem formulation, application of appropriate research design, skill of data collection, data processing and statistical analysis at both basic and advanced level along with SPSS as well as how to write quality research paper.Six Days Online Faculty Development programme on Research Methods and Techniques was inaugurated at Rai University, Ahmedabad, Gujarat. An initiative of the Department of Science, School of Arts Science and Commerce and IQAC, Rai University, Ahmedabad, Gujarat.

First Day: 14 th September 2020 Inaugural Session
The inauguration of the FDP program began on 14th September, 2020 at 10.00 AM with the auspicious words of Dr. Anil Tomar (Provost, Rai University). He welcomed all the participants and wished them all for their best. In his welcome address, He said that modern society demands high quality teaching and learning towards research from faculty and researchers. The theme of FDP was explained by Prof. Pradeep Kumar Singh (Head, Department of Science).On the first day of the Faculty Development Programme, Dr. Sailesh Iyer, Principal, Department of Computer Science and Information Technology explained what research was all about. He described how the process of metamorphosis takes place when it comes to finding answers to a question. He emphasized on the framing of the research questions and held it be the fundamental and initial step to do research.

On Second day of the Faculty Development Programme, Dr. Sandesh Chibber, Associate Professor, Department of Science, Rai University discussed the sampling process and types of sampling methods with examples. He explained the uses of probability and non probability sampling with examples.

On the third day of the Faculty Development Programme, Dr.Nirav Halvadia, Associate Professor, St. Kabir Institute of Professional Studies, Ahmedabad explained research design, measurement and scaling and also explained how to develop the problem statement, research question and hypothesis.

On the Fourth day of the Faculty Development Programme, Dr. Dhaval Maheta, Assistant Professor, Department of Business and Industrial Management, Veer Narmad South Gujarat **41**

He narrated a simplified difference between parametric and Non-parametric tests in research for data interpretation.

On the Fifth day of the Faculty Development Programme, Dr. Dhaval Maheta, Assistant Professor, Department of Business and Industrial Management, Veer Narmad South Gujarat University, Surat, Gujarat explained various tests like Anova, T-test, F-test, Regression, etc.

CSE /IT Department Rai School of Engineering, Rai University organized a Webinar titled "Ethical Hacking" on 28th April 2020. This Webinar was organized during lockdown to inculcate knowledge of Online transactions and ways to prevent hacking and ensure safety while online.

Miss. Poonam Chakravarty, Assistant Professor of CSE/IT Department, Rai School of Engineering, Rai University heartily invited the Speaker and Participants to accentuate the need for skill development and gaining knowledge about Ethical hacking. Miss. Nirali, TOPS TECHNOLOGIES had given information on different topics like basics of Ethical hacking, types of Ethical Hacking, real time examples of Ethical hacking. Career opportunities in Ethical hacking.

This Webinar was intended to provide a depth knowledge of ethical hacking and also gave work on ethical hacking. Participants could easily get the points on becoming an ethical hacker. The Webinar session was very interesting with the participants responding with admissible questions and observations. The participants gave them feedback on the webinar. Prof. Rajdipsinh Vaghela acknowledged and thanked the Speaker for the knowledgeable session. He also thanked Provost Sir, RU Management and appreciated the efforts of the CSE/IT Team in organizing this event.

National Engineers Day

Dated:- 12th August, 2020
Venue-Rai University Campus

A National Engineers Day was organized on Tuesday, 15 September 2020. It was inaugurated by prof. Veerendra Singh Nagoriya, Deputy Registrar academics. The celebration started with worshiping the goddess of learning maa Saraswati in virtual mode. The inaugural speech was delivered by a professor of the CSE/IT department Dr. Sailesh Iyer. He inspired students with his words of wisdom. Eighty students from all programs of degree, diploma courses of all years registered themselves to take part in it. Apart from the engineering department, students from other courses took part in the celebration On the occasion of National Engineers Day, three different activities were organized by faculty members of the engineering department. These games were Technical Quizzes, Code Master and Poster Presentations. Initially, students were instructed about the rules and regulations of the competition by event coordinators Prof. Jigar Pandya and Prof. Rampal Singh.The quiz competition consisted of three rounds. The first one was the elimination round having an online written test, second was picture recognition in which pictures of various players were shared over the screen and participants had to identify it and answer it. The third round was a rapid-fire round. In the rapid-fire round, questions were shared over the screen and marks were awarded to one who had answered first. It was kept in mind while designing the questions that basic subjects of all engineering branches were covered. The code master event was handled by Prof. Jigar Pandya. In this game, we conducted two rounds where the first round was conducted as a quiz round and the second round for error identifying from the given source code. Participants were finalized after obtaining the average result of both rounds.In the poster competition, students were asked to submit their posters related to engineers' day. 25 students of all courses submitted their posters; later their performance was gauged upon various parameters decided by judges. To encourage outstanding performing participant's certificates were awarded to them. In the end, feedback from students regarding the event was taken, they were more than happy and requested us to arrange such events in the coming weeks to enhance their general awareness and knowledge of various fields.

Campus To Corporate (C2C) Training Programme

Dated:- 03rd oct - 10th Oct - 17th Oct , 2020

Venue-Rai University Campus

The Corporate Resource Cell of Rai University organized a Campus to Corporate Training Program on 3_{rd} , 10_{th} and 17_{th} October, 2020 in three weeks at Rai University, Ahmedabad. Prof. Veerendra Singh Nagoria(Deputy Registrar, Academics, Rai University) congratulated the Corporate Resource Cell of Rai University for conducting various placement driven activities for students. He encouraged CRC for Training and Development activities by conducting Campus to Corporate Training Program for students as it will help them to prepare well for campus placement activities. Dr. Mohan Raj(HOD, School of Agriculture, Rai University) gave a welcome speech. He welcomed all the participants and introduced the experts. The objective of organizing the workshop was to impart Skill Development, Develop Creativity, Thinking out of Box to make the students of Rai University job ready and perform well in Placement Drives conducted by various Corporate Giants. This workshop was also focused on polishing alumni and Graduated students to match up with the ever changing requirements of Corporate World. The workshop started with worshiping the goddess of learning "Maa Sarasvati".

First Session was conducted by Dr. Shailesh Iyer (Professor, Department of CS/IT) on 3_{rd} October, 2020. The topic of discussion was "Resume Building". He explained various methods on improving a resume. He showed how to keep a resume simple and easy to read. He demonstrated how to make it brief by including only the most key and relevant information employers are normally looking for. Including numbers allow us to better understand the importance which is brought to the position. He enforced the students to use a professional font because employers normally have less time to review resumes. Selecting a clear, readable font will help make your resume look more professional. He showed a technique of including the most relevant information and important information first as it is important to keep the resume as brief as possible without missing out key information. He emphasized on showing attention to achievements and skills especially as it is one of the important parameters of the resume. He demonstrated the margins which are to be kept as per the requirements of resume building. He finally concluded the session by explaining proofreading and editing methods which can be really helpful in improving a resume.

Second session was conducted by Be Alpha on "Soft Skills Training"on 3_{rd} October,2020. Dr. Mohan Raj introduced Ms. Hema Halvadia and Ms. Jasnit Makhija as the trainers for the session having vast experience in soft skill development activities. They are successful in leveraging educational theories and methodologies to design, develop and deliver successful training. Soft skills are the competencies that allow your employees to interact effectively and productively with others, no matter the role or the setting. They focused on personality, as opposed to being based on qualifications, technical skills or vocational experience. That includes things like people skills, social skills, interpersonal skills and transferable skills. Focus was given to important key soft skills like Communication, Self- Motivation, Leadership, Responsibility, Teamwork, Problem Solving, Decisiveness, Ability to work under pressure, Time Management, Flexibility and Conflict Resolution. They enforced the students to work on each soft skill to come out as an outstanding personality.

Third session was also conducted by Team Alpha trainers on "Interview Etiquettes" on 10_{th} October, 2020. Objective of organizing this session was to provide detailed insights of handling the whole interview process successfully. Interview Etiquette includes various steps for clearing the interview like preparing yourself for the interview, Greeting everyone with a smile, Positive body language, Giving introduction effectively, Following table manners and Sending a thank you note. Major focus was also given on improving body language which plays an important role in performing well in an interview. Apart from

REGISTRAR

RAI UNIVERSITY
AHMEDABAD

this, an emphasis was also given on simple rules for answering interview questions like asking for clarification, being honest, staying true to the message, avoiding topics which can create trouble, using clear and concise language and sending feedback. It turned out to be a very informative session for the students.

Fourth session was conducted on "Career Counseling" by the Head of the Departments of Rai University on 10th October, 2020. Objective of this session was to impart the knowledge of Career Opportunities of the current era among the students. Dr. Shailesh Iyer (Professor, Department of CS/IT) explained about various career opportunities in the field of Cyber Security, Artificial Intelligence and Machine Learning. Dr. D. M. Patel (Dean, School of Diploma Engineering) explained about various career opportunities in the field of 3D Designing, 3D Printing and 3D Automation. Dr. Ashish Rami (Director, CRD) explained about various career opportunities in the field of Event Management, Hotel Management and Company Management. Dr. Mohan Raj (HOD, School of Agriculture) explained about various career opportunities in Crop Management, Crop Harvesting, Irrigation Systems and Utilization of Machineries used for Crop Cultivation in the field of Agriculture. Career Development is a lifelong process which was explained in detail. It includes interests, abilities, values, personality, background and circumstances. Career counseling is a process that helps students know and understand themselves and the world of work in order to make career, educational and life decisions. Major highlight of the session was to highlight the factors influencing career development and help students' access their interests, abilities and values.

Fifth session was conducted on "Mock Interview by departmental HODs of Rai University with Industry Partners on 17th October, 2020. Mock interviews help us learn how to answer difficult questions, develop interview strategies, improve communication skills and reduce stress before an actual job interview. During the process of Mock Interview, the interviewer can use a semi-structured interview format instead of asking questions from a list of formal questions. Practicing for an interview can help students become accustomed to the interview process and gain more confidence. The main objective of conducting mock interviews was to accustom students to the different interview environments and increase their self-confidence. Additionally, mock interviews familiarized students with commonly asked interview questions. Mock interviews of the students were conducted throughout the day considering the guidelines. Students got familiar with the interview process and gave positive feedback after the completion of the events.

All the sessions were very interesting and informative. Students were very enthusiastic and confident after attending the whole program. Contents delivered in all sessions were found very useful for performing well in the recruitment process and secure better jobs. Dr. Mohan Raj handled all the sessions effectively and made sure that all the participants got benefited with the informative sessions. Prof. Veerendra Singh Nagoria (Deputy Registrar, Academics, Rai Univer s i ty) conveyed vote of thanks to all the experts from the industry and HODs of Rai University for giving valuable insights to make students ready for a professional work environment. He conveyed vote of thanks to Dr. Anil Tomar (Provost, Rai University) to provide an opportunity to conduct the workshop for the benefit of the students.

Celebrating National Constitution Day

Dated:- 26th November, 2020

Venue-Rai University Campus

Rai University celebrated National Constitution Day on November 26, 2020, with great enthusiasm to create awareness about the significance of the Constitution of India. The event aimed to educate and inspire staff and students about the values, principles, and spirit enshrined in the national Constitution.The celebration commenced with a speech highlighting the importance of the Constitution, emphasizing its role as the cornerstone of India's democracy. Faculty members elaborated on the history, significance, and fundamental principles of the Constitution, fostering a sense of pride and responsibility among attendees.

A significant highlight of the event was the oath-taking ceremony, where the entire staff of Rai University pledged to uphold the Constitution's values. This oath symbolized their commitment to the principles of justice, equality, liberty, and fraternity, as laid down by the founding fathers of the nation.The event concluded with discussions and reflections on the Constitution's relevance in contemporary times, encouraging participants to contribute positively to nation-building. Overall, the celebration was a meaningful tribute to India's democratic ethos and a powerful reminder of the importance of upholding constitutional values in everyday life.

Scientific Writing, Publication Ethics & Data Analysis Using SPSS

Dated:- 21 -22 Sep, 2019

Venue-Rai University Campus

Centre for Research & Development and Department of Science, Rai University have jointly organized Two Day National Workshop on 'Scientific Writing, Publication Ethics & Data Analysis Using SPSS' on 21st and 22nd September, 2019 which was sponsored by Gujarat State Biotechnology Mission, Department of Science & Technology, Government of Gujarat and co-sponsored by Gujarat Laboratory. This workshop aimed to intend in the development of the skills needed to write and submit scientific manuscripts with the ultimate goal of improving the dissemination of research and enhanced knowledge sharing. The workshop comprised of general theoretical basic concepts about research process, statistical data analysis, modern computer applications in research, publication ethics, scientific way of writing research papers, and hands on experience to SPSS. This two day national workshop will not only add knowledge and skills but also carry wightage to improve your API score as per UGC regulations.

The workshop was started on 21st September with Saraswati Vandana and Lamp Lighting by Dr. Anil Tomar (Provost), Prof. Lalit Adhikari (Registrar), Veerendra Singh Nagoria (Dy. Registrar-Academics), Dr. Gurudutta Japee (Guest Speaker), Prof. Ashish Rami (CRD), Prof. Pradeep Kumar Singh (HoD-Department of Science), Deans and HoDs followed by welcome speech by Dr. Anil Tomar.

The first session of the workshop was delivered by Dr. Gurudutta Japee (HoD, Department of Advance Business Studies, School of Commerce, Gujarat University) and who spoke on state-of-the-art techniques of writing scientific reports, Ethics, and Journal Publications. In his session he gave importance on bringing trend of talking about research paper in academic institutions.

Rests of the sessions were delivered by Dr. Mamta Brahmbhatt (Associate Professor, B. K. School of Business Management, Gujarat University) who explored the various facilities available with software packages for data analysis and preparation of manuscript. She also explained the use of the SPSS and know-how of the software in practical session.

Large number of faculties and PhD scholars were benefitted by this workshop and they got exposure about scientific research paper writing, publication ethics and data analysis. They also developed the understanding of right approach towards research design and methods.

Two Day National Workshop organized by Rai University received overwhelming response from participants of various states including Himachal Pradesh, Maharashtra, Rajasthan, Andhra Pradesh, Bihar, Punjab, New Delhi, Chhattisgarh, Hariyana, Madhya Pradesh and Gujarat.Vote of Thanks offered by Prof. Lalit Adhikari (Registrar) in the closing ceremony in the on 2nd day. The participants were given certificates at the end of workshop with a group photo session.
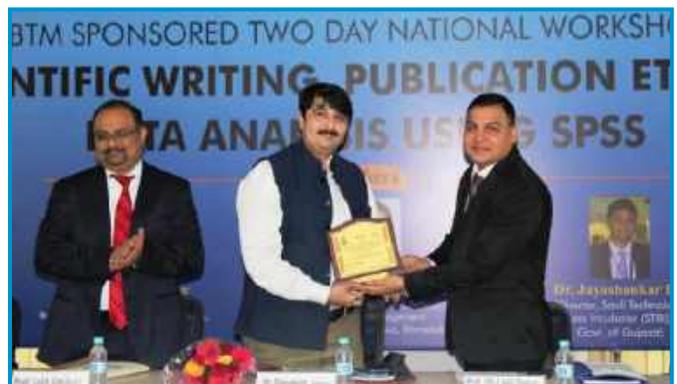

The workshop conveners were Prof. Ashish Rami and Prof. Pradeep Kumar Singh.It was the first workshop where Rai University has organized an event sponsored by Gujarat State Biotechnology Mission, Department of Science & Technology, Government of Gujarat.

Awareness On Intellectual Property Rights

Dated:- 25 November 2019

Venue-Rai University Campus

India has become a member of the global patent regime but awareness and expertise on the subject of Intellectual Property Rights (IPR) in is still inadequate. To create awareness about Intellectual Property Rights amongst students, faculty members and researchers, Rai University has set up an IPR Cell. As a very first event under the IPR Cell, Rai University organized an open seminar on 'Awareness on Intellectual Property Rights' on 25th November, 2019.

Seminar was inaugurated by lighting up of the lamp by Dr. Anil Tomar (Provost), Prof. Lalit Adhikari (Registrar), Prof. Veerendra Singh Nagoria (Dy. Registrar- Academics), Dr. Dhara Thakore (Outreach Activities –Student Startup and Innovation Policy, Government of Gujarat) and all the Deans. Floral welcome of guest speaker was done by Prof. Lalit Adhikari (Registrar).Dr. Dhara Thakore briefed the outline of Student Startup and Innovation Policy (SSIP). She started with an excellent and interactive presentation on Intellectual Property Rights (IPRs) and explained importance of IPRs in current era of Information and Knowledge.

She made the participants aware about the protection of IPRs, patenting procedures and patent informatics, patent searches, role of innovation and invention in the academia-industry collaborations, trademark and copyright protection, issues of do's and don'ts for a researcher in the context of publishing and patenting.

Technical Session was followed by an Interactive Session, where the invited Guest addressed the questions from the participants.

The vote of thanks was offered by Prof. Ashish Rami (Director, Center for Research & Development). Participation was very encouraging from various departments of Rai University in the seminar. The seminar was very fruitful and relevant for the students, researchers and faculty members.

To encourage about the latest concepts and issues on Intellectual Property, IPR cell of Rai University will organise such more events in future

Netaji Subhash Chandra Bose Birth Anniversary

Dated:- 23rd January 2020

Venue-Rai University Campus

Known by the slogan "Give me your blood, and I shall give you freedom" Netaji Subhash Chandra Bose was born in Cuttack, Odisha on January 23, in the year 1897. He was the great freedom fighter who served India as a valiant warrior and raised the first Indian National Army (INA), Azad Hind Fauj in 1943 and started an armed coup and inspired thousands of Indian youths to join the struggle for independence from the British colonial rule. Netaji was a key figure in India's freedom movement; he is considered by many as one of the greatest leaders ever born

On the occasion of Netaji Subhash Chandra Bose 124th birth anniversary, glowing tributes were paid by Rai University students and staff members. The function commenced with welcome note by Prof. Tushar Gamit and Prof. Yagnesh Rathod who motivated the Students by touching some of the untouched aspects of Netaji s life. Dean Dr. K. V. Patel inspired the students to follow Netaji's footsteps of patriotism and bravery. Elocution competition was held on Netaji Subhashchandra Bose. The participants confidently portrayed the aspects and interesting incidents of the great freedom fighter. This event was judged by Dr. Sandesh Chibber and Dr. Sailesh Iyer. The winner was Mr. Bishnu Prasad Das and runner up Miss Hetvi Soni. The event ended with a tribute and pledge to follow the ideals set by Netaji

International Conference On Emerging Trends In Engineering & Technology 2020

Dated:- 1st February 2020

Venue-Rai University Campus

International Conference on Emerging Trends in Engineering & Technology ICEET2020 was organized by the School of Engineering and Applied Sciences, Rai University (A Research Driven University), on 1st February 2020.

The inauguration ceremony commenced with the lighting of the lamp by Dr. Anil Tomar, (Provost and Patron, ICEET 2020), Prof. Lalit Adhikari (Registrar and Co-Patron, ICEET 2020) and Dr. Mariyam Kaveshgar (Chief Guest and Keynote Speaker, ICEET 2020). The Dignitaries and Session Chairs performed the official release of the Proceedings of the International Conference on Emerging Trends in Engineering and Technology.

Dr. Anil Tomar, the Provost, extended a warm welcome to all the Dignitaries and participants and urged them to engage in knowledge sharing and use this opportunity for creating a network of researchers in their particular domain. He also emphasized the research community to focus on current and upcoming technologies like IoT, AI, Machine Learning, Green Cloud, Smart Grid & many more.

The Keynote address by Dr. Mariyam Kaveshgar focused on research conducted in Autonomous Vehicle or self-driven vehicles and the challenges in the Indian context. She focused on the use of IoT, Big Data, and Sensors in addition to considering Human factors. She gave the audience a glimpse of the opportunities involved in this multidisciplinary research.

The paper presentations were broadly divided into four tracks consisting of Computer Science and Engineering/IT chaired by Prof.(Dr.) Amit Ganatra, Civil Engineering Prof.(Dr.) K.D. Acharya, Mechanical Engineering Dr. Dhaval M Patel, and Electrical Engineering Dr. Axay Mehta. The participants and research scholars presented their innovative ideas and contribution in the form of research papers. They were guided by the respective Track Chairs and subject experts on the research directions ahead. The selected Conference papers would be published in UGC CARE Journal.

The valedictory function marked the presentation of best paper awards in individual tracks and the distribution of certificates to participants. The Track chairs expressed their satisfaction and appreciated the efforts undertaken by Rai University to host this International Conference successfully. Prof. VeerendraSingh Nagoria, Deputy Registrar (Academics), thanked the Almighty, Patron, Co-Patron, Keynote Speaker, All Session Chairs, Dean Engineering Dr. K.V. Patel and Dean Diploma Dr. D. M. Patel for motivating, guiding and sharing their valuable time knowledge with Participants. He also acknowledged the role of Organizing Committee (ICEET 2020) consisting of Prof. Yasheesh Darji, Convener, and Co-Conveners Prof. Rajdipsinh Vaghela and Prof. Pradip Maradiya and support received from all the HOD and staff of Departments/Schools, Administration and Logistics of Rai University.

National Science Day Celebration

Dated:- 28th February 2020

Venue-Seminar Hall

Rai University celebrated National Science Day with theme "Women in Science" by acknowledging the contributions to Science by Nobel Laureate Dr. C.V. Raman. The celebrations started as per Indian Tradition by the Dignitaries lighting the lamp. Prof. Ashish Rami welcomed the gathering by asking the students to connect science with day to day application

The Keynote Speaker Ms. Deepali Paun, Registered Indian Patent Agent and Intellectual Property Attorney emphasized the role of Science and contribution of Women in particular. She also related Patent and Research and called upon budding Scientists to work towards patenting their work. Prof. VeerendraNagoria presented a momento to Keynote Speaker as token of gratitude. This event was coordinated by Prof. Pradeep Kumar Singh and Dr. Soham Trivedi under the able guidance of Dr. Anil Tomar Provost and Prof. Lalit Adhikari, Registrar.

Rai University organized three events to commemorate National Science Day. Extempore (One Minute Speech) was judged by Prof. Ashish Rami, Dr. D.M. Patel and Dr. SaileshIyer. The Science Quiz was judged by Dr. K.V. Patel and Dr. Nita Solanki. Scitoon Event was judged by Prof. Veerendra Singh Nagoria, Prof. Rajdipsinh Vaghela and Prof. PradipMaradiya.

Valedictory function marked the felicitation of winners in Extempore Miss PayalKumari (Ist) and Mr. Bhargav (Iind), Science Quiz winner team consisting of Miss. PayalKumari, Mr. Om Nandasana and Miss. Tanya Thakur and Scitoon winners Miss Pooja Yadav(Ist) and Mr. Tirth Patel (IInd) by the Judges. This was followed by Vote of Thanks proposed by Dr. Soham Trivedi. He thanked the Patrons, Participants, Volunteers and Staff members for making this event successful.
